

## ***SCHOOL INSTRUCTOR TRAINING PROGRAMME***

Chess Association Kerala is organizing the School Instructor Training Programme as part of the expansion activity of the Chess in School project initiated by the All India Chess Federation.

Chess training has been currently provided at some schools; however, all teachings are conducted in a different manner. Hence, our aim is to bring uniformity in the teaching methods of the trainers. Certificates will be provided for the Trainers Training Programme and in the short run, every school will be informed to appoint certified trainers only.
